

# Mad Science

Fall Session: Crazy Chemworks!

Mondays from 9.30.24 - 12.2.24

No classes on 10.14.24 & 11.11.24

3:30pm - 4:30pm

J. Richard Martin Community Center  
Room 8 A

In this program, children make goeey slime, experiment with different reactions and learn to use the tools that chemists use. Polymers and catalysts are only two of the fascinating concepts young scientists explore in this thrilling trip through the chemistry lab! At the end of every class, they take home an educational toy that extends the learning experience! Registration is limited to just 20 so register early to secure your child's spot.
