Teen Center Volunteer Opportunities

The Teen Center has several volunteer opportunities for the school year. We would like to give teens the opportunity to learn some new skills that they can use in their jobs and school life.

Teen will have the ability to learn these new skills under the supervision of the Teen Center staff. We will have the volunteer opportunities in the following areas:

- Computer Help
- Snack Bar
- Ambassador
- Special Events

We have separate job descriptions for each category. If you are interested in reading more or would like to sign up to volunteer, please see a staff member. If you are looking for a volunteer opportunity that does not fit your needs listed here please speak to a staff member we may know of other opportunities in the community.

Thank you,

Biddeford Teen Center Staff
